**Celebrating Masters of Ceramic Craft**

Hello

## I'm Gillian,

I attended Alberta College of Art + Design where I graduated in 2012 with a Bachelor of Fine Arts in ceramics with distinction. Returning to school I then received a Bachelor of Education in 2014 from the University of Calgary. Currently living in Calgary, I work for The City of Calgary at Wildflower Arts center as the Ceramics Technician. Living in Alberta has me longing for the sea, thus inspiring my ceramic work. Finding inspiration from coral reefs and tide
