Celebrating Masters of Ceramic Craft

Originally from Maplewood, NJ, 12 miles west of NYC, I moved to Bozeman, MT in 2015 to pursue a full-time career in pottery. Although I received a degree in Ceramics from New Jersey City University, I consider myself mostly self-taught.

In addition to making pottery, I'm passionate about selling handmade goods. It's important to be aware of where our material goods are coming from and how they are made.

**Place:** Bozeman, MT
